DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: there are no prior arts teaching or suggesting of a motion-sensing ceiling mount light, comprising:

a motion detector, a lamp shade, and a base plate; the motion detector having a single spherical lens and a motion sensor, wherein the motion sensor has a downwardly directed 360-degree range viewing field; the motion detector connected to a printed circuit board, wherein the printed circuit board, a sensitivity regulating switch, a time regulating switch, and a switch cover are enveloped within a motion detector case; and

a heat shield anterior to the motion detector case; wherein, the motion detector is mounted to said base plate and positioned within said lamp shade such that the single spherical lens of said motion detector protrude through a hollow recess in the lamp shade.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
